Union Chromebook Deployment

Union School District students and parents/guardians fully acknowledge that use of district technology on and off the premises of Union School District is subject to all guidelines, rules and regulations governing acceptable use as established by the Union School District's Board of Education Policy 815.

At no point are students permitted to alter or mask the relationship district owned devices have with Union School District. In addition, no malicious software or websites are to be used on or with the devices. If any doubt arises with regard to an application or site please contact the Technology Department at Union School District.

By accepting a district owned device, parents/custodial guardians are accepting full responsibility for the replacement or repair cost of the device of \$300. Replacements and/or repairs will be exclusively sanctioned by Union School District. Devices are assigned to the individual student. It is the student's responsibility to maintain control and possession of the device at all times. ANY damaged, lost or stolen devices must be reported immediately to the District Technology Department.

The district will offer a yearly insurance agreement for district-purchased, student-issued Chromebooks for \$35 to cover the following:

One of two repairs:

- a. The replacement of one (1) accidental cracked screen display or
- b. The replacement of one (1) lost or damaged power adapter.

Additional charges for damages in excess of the one repair covered under the policy remain the responsibility of the parent/custodial guardian. Payment is due with signed usage agreement. Students wishing to purchase after agreement has been returned must submit their Chromebook for inspection before policy takes effect.

If at any point Union School District feels that the terms of this agreement have been violated, loss of privileges to use the device and other disciplinary actions may be taken. *The district reserves the right to pursue all options in collection of costs incurred through Chromebook repair.*

By signing this form, I understand and agree to all terms outlined above concerning my use of district technology facilities at Union School District.
